Mrs. Doe ,

We have investigated the post and dealt with the situation on our campus. We consistently work with students about appropriate use of social media. Social media is not a place to spread rumors, speak negatively, or place blame; none of these actions help to solve problems or improve situations. We will continue to monitor situations as we become aware. Please continue to provide information to us.

As stated, neither Mr. Chatagnier nor ^{Jane Doe} deserve any negative attention from this situation.

I look forward to meeting with you and Dr. Young as we develop a plan for ^{Jane Doe} to be successful and provide resources she needs to do so.

Sincerely,

Shelby Balser

Students all over the school are saying she did it again. She didn't even do it the first time. She's a kid.

She does not deserve this. Aaron does not deserve this.
